

EGSAC meeting - 10/14/2006

In attendance: Angela, Taylor, Einat, Erwan, Jason, Katrina, Fern, Jessi, Brian, Ryan.

- **Report from the GSC:** Jason reported that there is a new initiative by the GSC to add the option of taking graduate classes for Pass/Fail instead of letter grade or as a listener. The need arises as classes taken as listeners do not appear on the external transcripts. Jason asked whether there was any strong interest or strong objection to this idea.
- **EAPS Slide show:** The slide show will take place on October 27th. Photos should be sent to Andrew Barton (adbarton@mit.edu).
- **Chili cookoff:** delayed to early February. Will be included in the sign-up for the Spring semester peer-hour.
- **Warren Miller movie:** Warren Miller's latest extreme ski/snowboard movie will come to Somerville on November 8-9. Brian volunteered to organize a group, and EGSAC will subsidize the tickets (original price is 19\$, but includes all kinds of freebies such as lift tickets, etc).
- **T-shirt:** Ryan volunteered to organize a T-shirt with the EAPS logo. Estimates the cost as 5\$, but details will follow.
- **Long Pond 2006 pictures:** pictures are now posted in the EGSAC website gallery.
